Life Goes on and we pass through days of sun light days of tears  
Life goes on one day you cry then your laugh ter fills the air  
live the way life comes to you sky fool ish wast ing pre cious years  
see the win ter paint the feel a mo ment of des pair  
one day you trust in love the world exi ste for you  
one day you trust no more and then the worldsturn blue  
here to day to mor row gone say good bye and life goes on
